

From the President's Drawing Board

What a great time we had last month! First there was a lovely Opening Reception at the Link Gallery in the Door County Auditorium, well-attended on a beautiful summer evening and replete with sales for our artists. Congratulations to all!

Following closely on the heels of that event, over 60 members and friends enjoyed the watercolor demonstration presented by **Ed Fenendael** at our regular June meeting. A near record crowd!

Two delightful Art League happenings are coming up! This month we again look forward to a program of exceptional interest with **Larry Basky**, serigraphic artist from Plymouth, who will be demonstrating silk screen techniques. THE MEETING STARTS AT 6:30. This is something new and different for most of us and will remind long time members of Joe Cook.

Please remember that this is "Bring A Friend to DCAL" month! We all know someone who is interested in the arts and would enjoy meeting all our wonderful members! Just ask someone you know to join us -- and offer to bring them with you.

These are also the days when we'll be looking for volunteers to share in the fun of planning, hanging, inviting, and generally participating in the upcoming 20th Anniversary Fall Exhibit. You'll be working with exhibit chair **Glenn Gerber** who will value your ideas and assistance.

Please remember that YOU are what makes US good. We look forward to seeing all of you on July 24 with new DCAL prospects in tow. Thanks!

Jeanne

Showcase Gallery at Trattoria Dal Santo

The "Sprummer" **People's Choice Exhibit** runs thru August 13th, if you haven't seen it, time is growing short!! Pick up your artwork on the "Fall Show" drop-off dates.

Our apologies to **Cal Bonnivier** – she donated a beautiful painting for the "Sprummer" silent auction and her name was inadvertently left off the list...sorry!

The Art League's 20th Anniversary Fall Exhibit at Dal Santos will run from **Sunday, August 27** through **Saturday, November 4**. Drop off day is **TUESDAY, AUGUST 22 FROM 10a TO 3p**. This is the only time you can pick up work from the Sprummer show and drop off your entries for the Fall Exhibit. If you have a conflict, please make other arrangements with a friend to pick up/drop off your work.

This exhibition is open to members whose dues are paid for the 2006 calendar year. As in the

past, you may enter one or two 2- or 3-dimensional pieces. Each member is guaranteed at least one piece in the show; additional pieces will be shown if space allows. Work not accepted for the exhibit will be available for pick up during the opening reception.

Sunday, August 27 from 1-3p will be the opening reception. **Mike Dal Santo** will have his usual lovely table of hors d'oeuvres and a cash bar. At this reception we will honor our Door County Master, so don't miss this event! The prospectus is included in this newsletter.

Please remember that if you leave Door County before the November pick up date, you must make arrangements to have your work collected. Our volunteer exhibit chairs do not provide storage services for your work in their studios.

Please contact **Glenn Gerber** at 746.0680 or gmgerbs@charter.net.

Mary Ann Carter (photographer) is one of the 10 selected artists participating in the Violin Project. The Appleton Art Center is collaborating with the Fox Valley Symphony on an opportunity, which includes an exhibit at the Appleton Art Center in January and February, 2007. The violins will be “sneak peeked” at Fox Valley Symphony’s Opening Night on October 7, 2006.

Last winter **Cynthia McGuire** took a hiatus from teaching workshops to explore the images in her mind. This journey became her latest series entitled “Kaleidoscope Images,” which will be featured at Fine Line Designs Gallery from August

11—September 7. The public is invited to an Artist Reception from 4—6p on Saturday, August 12.

From the WebMaster **Mark Allen**: There is a new page on the website for Members Links. Jeanne Whildin is the featured artist in the banner. We have changed the homepage to have late breaking news on the top of the page. Send your information to Mark at mallen@dcwis.com.

A big thank you to **Cal Bonnivier** for donating a large print rack, which is being used by DCAL at the local Art Fairs.

Rich Delcarson will be teaching a gouache class at Peninsula Art School August 19th (Saturday). This one day class (9a to 4p) will explore the applications and techniques of opaque water media.

From Membership Chair Dorie Zimmerman:

We’re very excited about the new DCAL directory that was mailed to everyone last month. But, as with all printed material, it is out of date the day it gets turned in to the printer! So we want to give you some new addresses, corrections and new member information that you can note in your own membership directories.

I also want to apologize to Roberta and Richard Larson for omitting their very important gift on the Sponsor Page. This special section recognizes members who go out of their way to help with extra financial support. We are truly grateful to all of our Sponsors and volunteers.
