

## From the Board

The board presented the slate at our October business meeting and the membership voted to accept the slate as presented, without a president *pro tem*. Since then, Jeanne worked her magic and **Dorie Zimmerman** has stepped up to the plate for president! Way to go Jeanne & Dorie! All of us are grateful for your leadership and look forward to working with you to keep the momentum going.

Other items of interest from the October board meeting and other relevant discussions are:

we are negotiating for seasonal exhibition space but cannot divulge particulars until we've dotted "i"s and crossed "t"s with our benefactor;

putting the directory on the website so you don't have to carry your directory from place to place in your seasonal travels;

continuing the winter meetings in January and setting dates for other off-season get-togethers that could include critiques or reviewing art films or films about artists;

expanding the number of special exhibitions DCAL offers members along with maintaining the higher artistic standards for exhibitions that have been evident in the last year or so;

allowing multi-tiered membership levels to incorporate linking artists' web pages with that of DCAL and continuing to improve the interactive capabilities of the website;

and, finally, making sure that all exhibition opportunities in the region are mentioned in the newsletter and online. A more concentrated effort will be made to receive exhibition notification and publish it to our membership.

As always, if you have information you'd like to put in the newsletter or online, please send it via email to [gdss@dcwis.com](mailto:gdss@dcwis.com) and the editor will make sure it gets to the proper party. Just remember that due to the necessity of working for a living, responses may not be instantaneous!
